Show meeting info

Bob,

Setting a placeholder after the new year.

We would like to have a conversation around updating the Business Continuity Plan since the current one is aged several years. Please feel free to invite anyone else you deem applicable to this meeting.

-Paul

Paul Fountain, ISO
Information Security Officer
Technology Services
Office: (817) 312-9733

For non-emergency technical assistance, please visit the [Service Desk Portal](#) to open a service request. If you require immediate technical assistance, please call (940) 349-8300.
